CUSTOM BUILD TO YOUR SPACE

WHETHER PERSONALLY OR IN BUSINESS, YOUR 1ST IMPRESSION
WILL BE A HINT, AND POSSIBLY A SIGNAL OF WHAT WILL BE

Set the table for a first impression by your Clients, Associates and Employees, with a statement of elegance and functionality when they first enter your place of business.

Whether it be a back room with maximum storage capability or a grand entrance Reception Area, let our expert team of Designers and Space Planners bring your vision to fruition.

THE LUCIA GROUP has been in business for over 30 years, addressing issues involving Space Planning, Functionality and Aesthetics in the corporate environment.

Contact THE LUCIA GROUP for any of your Reception Station, Millwork or other space planning needs.

First impressions do matter. Let's see if we can impress you!

This brochure features some of the Projects we have delivered and installed over the years. Our Reception Stations, Circulation Desks, Credenzas and Shelving Millwork can enhance any corporate environment. We work in Laminate, Wood, Marble, Stone, Corian and even Faux Concrete and Tambour Materials to create a first or lasting impression for your Clients, Associate and Employees.

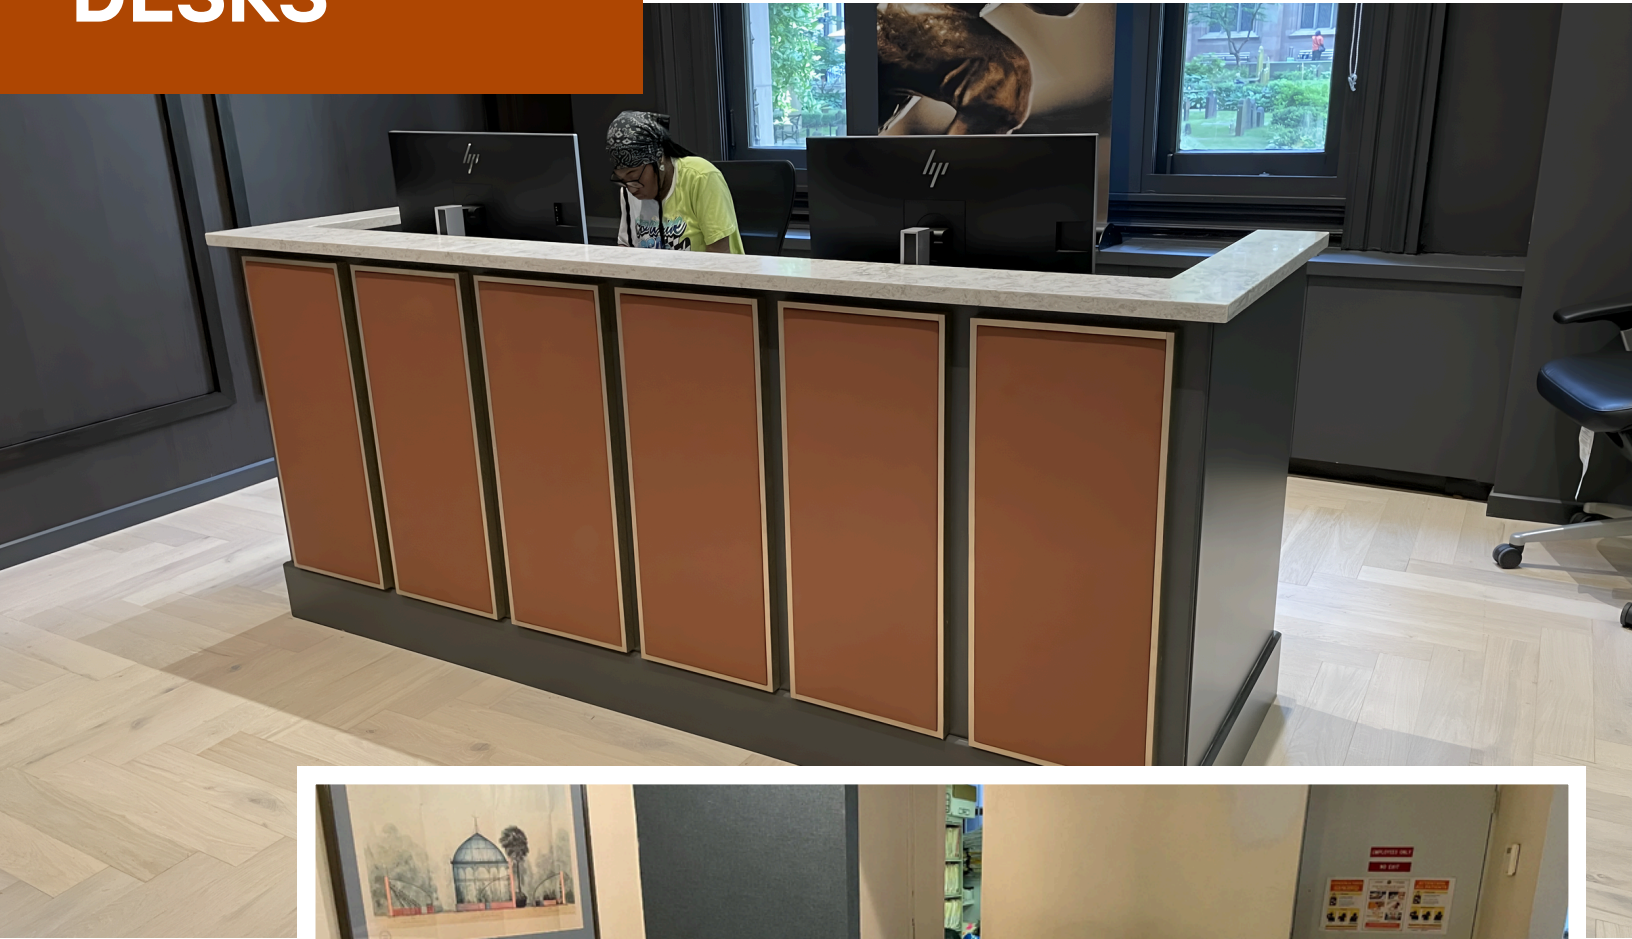

ABOUT THE LUCIA GROUP

The Lucia Group is a knowledge-based interior resource with experience in shelving, cabinetry and specialty storage products. Based in New York and with projects throughout the U.S., The Lucia Group provides a full-service client centered approach, offering optimal solutions for any interior.
